Old Kings Road at U.S. 1 to close Monday for several months – plan to use Matanzas Woods Parkway detour

March 22, 2024 – Flagler County officials are alerting residents that Old Kings Road will be closed at U.S. 1 by the Florida Agricultural Museum beginning Monday for several months to accommodate road construction there. There is a marked detour at Matanzas Woods Parkway that motorists are instructed to use.

“Phase 1 of the roundabout will be put in place,” said Alliant Engineering Southeast Region Vice President Curt Wimpée. “Notification signs have been up for a couple of weeks.

Alliant Engineering designed the roundabout, which has been approved by the Florida Department of Transportation, for the developer of Sawmill Creek, D. R. Horton, according to Wimpée. The project should take about four months to complete.
