

Single Family Residence Building Permit Requirements FOR CONTRACTORS APPLYING ONLINE

Once approved, items with an asterisk (*) must be printed at scale and made available on the job site by the time of first inspection.

- Notice of Commencement or Affidavit of Notice of Commencement Filing
Only if over \$5000.00 (Recorded and Certified copy not required until first inspection)
- Copy of recorded deed or Property Appraiser printout showing proof of ownership (if owner does not match the ownership information listed on the Property Appraiser)
- Proof of water and wastewater disposal hookup (water and sewer receipt from utility provider or well and septic tank permit from Environmental Health Dept.)
- Affidavit of Drainage Control
- (*) A proposed survey or site plan - with elevations of proposed and existing structures with setbacks to property lines, showing all tree protection and landscape compliance, shall be in N.A.V.D. 1988 per ordinance 98-03 (must be signed and sealed by a surveyor, architect, or engineer).
- A FEMA Elevation Certificate (If the parcel is within a FEMA Special Flood Hazard Area).
- A Floor Plan, printable to scale at 11x17", including dimensions (not sealed).
- A fire sprinkler permit application by a licensed fire protection contractor as required by the Florida Building Code or for construction in the Golden Beach Subdivision.
- Right of Way permit application; signed by the contractor (additional comments will be made by the Engineering Dept. & will be returned to the contractor with the permit at time of issuance.)
- (*) Energy calculations for North climate zone and EPL display card (signed by owner and contractor with Permitting Office listed as Flagler County and Jurisdiction Number 281000)
- Flagler County Tree Protection Form
LDC section 6.01.03.(A) Index tree protection/replacement requirements. Each single-family residential lot must preserve or replant at least fifty (50) percent of the total pre-development caliper inches existing on the site.
- Flagler County Residential Landscape Form

***** THIS LIST IS INTENDED ONLY AS A GUIDE LINE FOR APPLICATION SUBMITTAL AND MAY OR MAY NOT BE ALL INCLUSIVE*****

It is the applicant's responsibility to produce Notice of Commencement as specified in Florida Statute Chapter 713.13. prior to the scheduling of inspections. All inspections must be complete to close out the permit when the project is complete. Failure to close out permits may result in additional fees and/or suspension of rights to obtain additional permits.

- (*) Flagler County Product Approval form(s)
- (*) Signed and sealed truss engineering or plans must have engineered framing layout and connector schedule.
- (*) Construction Drawings designed by a Florida design professional to meet the requirements of the 2023 Florida Building Code 8th Ed, signed sealed, and dated or compliant with Chapter 3 exceptions. Drawings must be printable at 24x36" with a minimum ¼" scale. Job site copies may be printed at scales between 11x17" and 24x36" if they are legible.

In lieu of manually signing and sealing plans, design professionals shall affix digital signatures in compliance with Florida Statutes Chapter 481 and Florida Administrative Rule 61G1-16.005 for architects or Florida Statutes Chapter 471 and Florida Administrative Rule 61G15-23.003 for Engineers. Digital signatures must be original and will be verified. Do not upload scanned/copied plans, they will not be accepted. The following statement must accompany a digital signature "This item has been electronically signed and sealed by (name) on (date) using a Digital Signature. Printed copies of this document are not considered signed and sealed and the signature must be verified on any electronic copies". A digitally created image of the seal must be on the plans for printing purposes.

Plans

1. Each page must contain the digital signature and will require individual upload for each sheet/page.
2. Must be drawn and formatted for a minimum landscape 24" x 36" sheet or 11" x 17" for smaller scale jobs.
3. Are to be submitted in a pdf format only.
4. Each page must have title block to contain the address of the subject property.
5. Plans shall be uploaded properly oriented in landscape mode.
6. Must be drawn to scale
7. Each page of the plans must have a graphic scale.
8. Plans that are digitally signed and sealed cannot be locked (password protected).
9. Plans must include a digitally created image of the seal along with the digital signature and seal (For printing purposes).

Documents

1. Documents must be submitted in pdf format only.
2. Documents shall be submitted in portrait orientation (unless created in landscape mode)

File Naming Convention

Plans

1. Plans are to be **submitted / uploaded as single page files** (do not combine files) and named according to the name of the page. Example: A.1 M.1 E.4 S.2. If the page does not have a naming convention

***** THIS LIST IS INTENDED ONLY AS A GUIDE LINE FOR APPLICATION SUBMITTAL AND MAY OR MAY NOT BE ALL INCLUSIVE*****

It is the applicant's responsibility to produce Notice of Commencement as specified in Florida Statute Chapter 713.13. prior to the scheduling of inspections. All inspections must be complete to close out the permit when the project is complete. Failure to close out permits may result in additional fees and/or suspension of rights to obtain additional permits.

(blank or named 1, 2, 3, 4) please use a description for the name for quick and easy identification. Example: Floor Plan, Elevations, Wall Sections, Pool Plans, etc. **Do NOT add any verbiage in front of the file name- you may add additional verbiage as a suffix.** Identifiers may be the suffix but not used as a prefix.

2. Revisions/ corrections are to be named the SAME NAME as the original document.

Documents

This applies to all documents submitted online, regardless of the phase of the permit (apply, revisions, corrections, supporting documents, etc.)

Documents are to be submitted individually and **named as identified below**. If a document contains multiple pages, it may be uploaded as a single file. (i.e., energy calculations, etc.)

File names should be named in the examples below: (identifiers only as a suffix)

- Boundary survey
- Early power affidavit
- Electrical Calculations
- Elevation certificate
- Energy calculations
- Final Survey
- Foundation Survey
- Landscape plan
- Lot grading plan
- Manufacturer specifications
- Notice of commencement
- Owner disclosure
- Plumbing riser diagram
- Pool calculations
- Product approval
- Proof of ownership
- Recorded warranty deed
- Roof affidavit
- Roofing worksheet
- Septic Tank Permit
- Sewer Receipt
- Site plan
- Shop drawings
- Specification manual
- TDH
- Tenant affidavit
- Topographic survey

***** THIS LIST IS INTENDED ONLY AS A GUIDE LINE FOR APPLICATION SUBMITTAL AND MAY OR MAY NOT BE ALL INCLUSIVE*****

It is the applicant's responsibility to produce Notice of Commencement as specified in Florida Statute Chapter 713.13. prior to the scheduling of inspections. All inspections must be complete to close out the permit when the project is complete. Failure to close out permits may result in additional fees and/or suspension of rights to obtain additional permits.

- Tree survey
- Tree Protection and Landscape Compliance form
- Truss layout
- Water receipt
- Well permit

General Information

1. Permits utilizing the electronic plan review system must maintain the electronic process throughout the permit application review process. (and vice versa if submitted manually)
2. You may utilize this system to upload and maintain your documents at the packet stage up to 30 days prior to choosing to submit.
3. Your packet will expire in 30 days if you do not choose to submit and will require you to start again when you are ready.
4. Once you submit, if the package is incomplete, you will receive any email outlining the deficiencies and the package will not be accepted.
5. Revisions/corrections cannot be uploaded while reviews are being processed. Once all of the reviews have been completed, you will be able to upload any new plans/documents. The red SUBMIT button must be clicked for your documents to reach us. A revision sheet is not required for upload, one will automatically be generated when you hit SUBMIT.
6. Revisions are to be named the SAME NAME as the original document.
7. When the reviews have been completed, you will receive an email notifying you the permit is ready for issuance.
8. Payments continue to be made online or in person.
9. Job/Inspection card, permit, plans, etc. can be downloaded from the portal.
10. Approved plans are to be at the job site for the inspector.
11. Inspections may be requested through the portal.
12. The certificate of occupancy is also available for print online upon issuance.

***** THIS LIST IS INTENDED ONLY AS A GUIDE LINE FOR APPLICATION SUBMITTAL AND MAY OR MAY NOT BE ALL INCLUSIVE*****

It is the applicant's responsibility to produce Notice of Commencement as specified in Florida Statute Chapter 713.13. prior to the scheduling of inspections. All inspections must be complete to close out the permit when the project is complete. Failure to close out permits may result in additional fees and/or suspension of rights to obtain additional permits.

Flagler County Residential Landscape Form

Residential Landscape Compliance, LDC §5.01.04(3)

Each single-family lot or parcel must provide at least one (1) tree per two thousand five hundred (2,500) square feet of lot area, excluding any portion within a water body.

- When trees are planted to meet the minimum requirement, they must be shade trees (see list below), have a minimum height of eight (8) feet and a minimum diameter of one and one-half (1 ½) inches measured at four and one-half (4 ½) feet aboveground at the time of planting.
 - Plantings in the *AIA Scenic Corridor* shall have a minimum height of twelve (12) feet and a minimum diameter of four (4) inches measured at six (6) inches above ground at the time of planting
- Existing shade trees, sabal palms and pine trees may be used to satisfy this requirement, in whole or in part, provided they have a minimum caliper of two and one-half (2 ½) inches DBH and overall height of ten (10) feet.

Subdivision Name: Lot Number of Site:
Tax Parcel Number: Section: Township: Range:

B. CERTIFICATE OF COMPLIANCE:

The undersigned owner of the above-described property hereby certifies that development of the above property will not result in:

- 1. Flooding of adjacent lands.
2. Blockage of existing drainage systems, natural or manmade.
3. The destruction of existing drainage systems, natural or manmade.
4. Erosion of fill or disturbed materials onto adjacent lands or environmentally sensitive areas (as determined by Flagler County).
5. The destruction of roadside drainage swales, roadway pavement and/or shoulders.
6. Flooding of the proposed structure during a 100-year frequency storm.
7. Construction to an elevation less than that required by the Flagler County Land Development Code. (Applicant is cautioned UNAUTHORIZED construction may be subject to demolition).
8. Inadequate onsite drainage in the vicinity of the proposed structure.
9. Deviation from the approved grading plan for this property.

C. RELEASE AND AUTHORIZATION:

- 1. The undersigned hereby release and holds harmless the County of Flagler and its authorized agents and/or employees from any and all claims of damage of every kind and nature whatsoever to said property, or contiguous properties, arising from the approval of this application or construction of required improvements.
2. The undersigned hereby grants unto authorized agents and/or employees of the County of Flagler the right to enter upon said property for inspection and enforcement activities. Flagler County reserves the right to require the property owner to implement reasonable measures regarding drainage control including, but not limited to, submittal of signed and sealed engineering drainage plans.

Right-of-Way Culvert / Driveway

Instructions and Conditions

General Information and Instructions:

Complete the application and sign the bottom of page 2 before submitting to Central Permitting. The original application becomes the approved permit when Development Engineering completes the "For Office Use Only" section and the appropriate fees* are paid. Either the permit or a copy thereof must be available at all times at the worksite (where the work is being performed).

*Work Without Permit: Any work that commences without the required permits available on the job site shall be immediately suspended until such time as the required permits have been acquired. A fee for work commenced without a valid permit issued shall be assessed in addition to the normal permit fee. The charge shall be as prescribed by the Board of County Commissioners. Emergency work is excluded from the charge.

PAVERS ARE NOT PERMITTED IN A FLAGLER COUNTY MAINTAINED RIGHT OF WAY.

Conditions:

It is understood and agreed that the rights and privileges herein set out are granted to the extent of the County's right, title and interest in the land to be entered upon and used by the permittee. The permittee shall at all times assume all risk and indemnify, defend and save harmless the County of Flagler from and against all loss, damage, cost or expense arising, in any manner, on account of the exercise or attempted exercise by said permittee of the aforesaid rights and privileges.

Applicant declares that prior to filing this permit he has ascertained the location of all existing utilities, both aerial and underground. The specific names of the agencies that have been notified must be typed or printed in the space provided, for the specific type of utility. It is expressly stipulated that this permit is a license for permissive use only and that the placing of facilities upon public property pursuant to this permit shall not operate to create or to vest any property right in said holder. The construction and/or maintenance of a utility shall not interfere with the property and right of prior occupant or to vest any property right in said holder. The construction and/or maintenance of a utility shall not interfere with the property and right of prior occupant.

In the event of widening, repair or reconstruction of a public road or highway, upon reasonable notice the permittee shall move its facilities to clear such construction at no cost to Flagler County, insofar as such facilities are within the public right-of-way.

The holder of this permit shall take such safety measures, including the placing and display of caution signs and signals as required by the Manual of Traffic Control Devices for Streets and Highways when working in the public right-of-way and shall also prevent any obstructions which are, or may become, dangerous to the traveling public.

Fees will be computed in accordance with the Fee Schedule adopted by the Board of County Commissioners and are payable upon issuance of the permit. For those driveways permitted as part of a Building Permit, a re-inspection fee in the amount stipulated in the Fee Schedule will be assessed if the Applicant requests an Inspection and the work is Incomplete. Sodding in the right-of-way, together with completion of a shoulder, swale, and backslope grading is considered an integral part of the permit.

Applicant/Owner Title

Right-of-Way Culvert / Driveway

Standard Operating Procedures for Permit Issuance

- All Disturbed areas shall be restored and stabilized prior to Final Engineering Inspection
- No Sidewalks Driveways, roadways, or other surfaces shall be disturbed unless clearly defined on this application
- Concrete must be a minimum of six inches (6") in the right-of-way, four (4") from the right-of-way line into the private property
- The only types of culvert pipe permitted are concrete and high density polyethylene (HDPE), specification sheets must be provided with either type indicating that they meet the Flagler County Right-of-Way utilization ordinance minimum standards
- Concrete that is placed one foot (1') or less from any exterior structure was requires a termite pre-treatment
- Flagler County does allow pavers to be used in the Right-of-Way. However, if a sidewalk exists, it must remain concrete. Below is a list of approved materials suitable for base construction and the required minimum thicknesses delivered directly from the Florida Department of Transportation's Design Standards, Index No. 514. All thicknesses are post-compaction.

Flagler County Right-of-Way

- Pavers – 4 inch (4") 3000 PSI concrete base on compacted subgrade

Non-County Right-of-Way:

- Limerock LBR100 – eight inches (8")
- Graded Aggregate Base LBR100 – nine inches (9")
- Crushed Concrete – eight inches (8")
- Placed Concrete at 3000 PSI – four inches (4")

Concrete Driveway:

Flagler County Right-of-Way:

- 6 inch (6") 3000 PSI concrete subgrade or five inch (5") on limerock or crushed concrete base

Non-County Right-of-Way:

- 6 inch (6") 3000 PSI concrete subgrade or five inch (5") on limerock or crushed concrete base

- Specifications
 - Inspections (as applicable)
 - Paver Driveways: Prior to placement of base (verify base thickness and material)
 - Concrete Driveway: When form boards are in place (verify thickness)
 - Temporary Driveway Final
 - Fees
 - Per Fee Schedule

Pavers are not permitted in Flagler County owned & maintained ROW
