Can You Afford These Visitors?

If you own or rent property along the Atlantic or Gulf Coast, one or more of these uninvited guests may drop in between June and November.

The list at the left comprises the names of the 2020 Atlantic hurricanes. Although you cannot prevent them, you can protect your property by insuring against losses from coastal and inland flooding that these guests can bring.

Your homeowners insurance does not cover floods. Flood insurance through the National Flood Insurance Program does.
