## About Us

SMA Healthcare recognizes that many individuals seeking behavioral healthcare have significant histories of co-occurring disorders. These include substance use, mental illness, criminal justice involvement and chronic health conditions. We provide supportive and effective evidence-based, co-occurring approaches to treatment.

## Providing Exceptional Behavioral Healthcare for Over 60 Years

# WARM

**(Women Assisting Recovering Mothers)**

Women Assisting Recovering Mothers (WARM) serves as a residential treatment facility for women exhibiting symptoms of drug and alcohol dependence. The program serves women who are pregnant, postpartum, and parenting children up to the age of six years old. Children over the age of six are eligible for weekly visits with their mother. Children living on-site receive care from Easterseals' Child Development Center.

**24/7 Access Center | 800-539-4228**  
**[smahealthcare.org](http://smahealthcare.org)**

## Therapeutic Treatment

The curriculum offered by WARM utilizes diverse rehabilitation skills and provides a broad range of therapeutic and wrap-around interventions based on the client needs.

## Continuing Care

WARM Continuing Care and Recovery Support integrates discharge planning, including transition services and recovery support with the Strengthening Families™ Program (SFP), a nationally recognized parenting and family-strengthening program for high-risk families. WARM Continuing Care and Recovery Support strengthen the benefits of residential treatment by enhancing the client's support for continuing recovery.

## Location & Hours

**WARM**  
301 Justice Lane  
Bunnell, FL 32110

## Culinary Training

Culinary Arts training is provided under the direction of an Executive Chef through the University of Florida's Institute of Food and Agricultural Sciences. This program provides food service personnel management to students by teaching them to plan, prepare, and clean through the courses offered. Participation in the program results in a certification in food service and assistance in employment for the graduates.

# Flagler Access Center

The Flagler Access Center is our front door to services. Staff is in place to welcome individuals, provide screening, determine eligibility for services, collect information, and provide appropriate referrals for mental health and substance use disorder services.

**24/7 Access Center | 800-539-4228**  
**[smahealthcare.org](http://smahealthcare.org)**

## What To Expect?

**Access** To access services call (800) 539-4228 or walk-in to 103 E. Moody Blvd, Bunnell, FL during regular business hours.

**Screen** A member of our Flagler Access Team will ask you some questions such as name, address, phone number and the nature of the care you are seeking.

**Intake** A face-to-face assessment will be scheduled with a Flagler Access clinician to determine what services SMA can assist you with in helping you achieve better health.

**Service** Feel free to bring someone with you to this appointment. Plan for the assessment to take between 1-2 hours. If needed, our staff can assist you in finding agencies and resources in the community whose services best match your needs.

## Location & Hours

**Regular Business Hours** 8am-5pm, M-F  
103 E. Moody Blvd.  
Bunnell, FL 32110

## Who is Eligible?

Flagler County residents, and others, who have a mental illness or substance use disorder are eligible to receive behavioral health services.
