NEW BUSINESS

Discussion

Review and Action on COPCN Renewals. The following providers applied for COPCN renewal: AdventHealth, AllCare Medical Transport, AmeriPro, City of Palm Coast, and RG Ambulance dba Century Ambulance. It was noted that RG Ambulance dba American Ambulance was not renewing as announced in July's meeting. Because of timing, the FCEMSAB agreed to approve RG Ambulance dba Century COPCN application in advance of this meeting. Mr. Boggess had several questions of AdventHealth and AmeriPro but there were no representatives present to answer the questions. Mr. Boggess did ask Mr. Eberhart, RG Ambulance if Century would be stationing an ambulance in Flagler County. He indicated that since Century has not officially been transferred to RG Ambulance he was unable to answer the question but did say it was suspected that one would be posted in the county. Representatives from AllCare Medical Transport were asked the same question and advised that they do have a station and ambulances physically stationed in Flagler County.

Motion

Motion made by Mr. Caggiano to recommend to the Flagler County Board of County Commissioners all COPCN applications be approved; motion seconded by Chief Faust. Motion Approved.
